

# TENNESSEE COLLEGE OF APPLIED TECHNOLOGY PARTNERS WITH JOBS PLUS—PROVIDES CHILD CARE!

Dear Jobs Plus Nashville,  
On behalf of **Tennessee College of Applied Technology Nashville (TCATN)**, we would like to thank you for allowing our students to participate in such a worthy endeavor. It is a great pleasure for us to partner with Metropolitan Development and Housing Agency Jobs Plus Nashville as you contribute to society and serve our local community.

This partnership allows our students to not only gain valuable experience within their chosen profession of **Early Childhood Education**, it also allows them to give back to the community by offering a needed assistance to the citizens of Nashville.

Through this partnership, you are allowing our students to explore their career field and learn in ways that may not have been possible without your support. Here at TCATN, we are continuously focusing on excellence within our programs, the achievements of our students, and the future of the community. With that being said, it is only through partnerships such as ours that will allow us to create a better future for the citizens of Nashville.

Again, we would like to take this opportunity to thank you!
