vanderbiltmedicalcareers.org

Sign-On Bonus

\$10,000 paid in full after 60 days of employment.

Your Role:

Supports the licensed healthcare team members in the provision of patient care to include direct patient care, providing healthcare information to patients/families, and following established plan of care. Works in close collaboration with the RN or a licensed healthcare team member to evaluate the patient's plan of care and progress toward goal attainment. All patient care activities are undertaken with the delegation/supervision of a licensed professional in accordance with VUMC standards and licensure regulations.

Qualifications:

Graduate of an approved discipline specific program (or equivalent experience) and 1-year relevant experience. New grads must obtain their LPN license within 90 days of hire. We offer an LPN to BSN program and special tuition reimbursement for nursing degrees!

Shift: Variable Shifts

Discover Vanderbilt University Medical Center

Located in Nashville, Tennessee, and operating at a global crossroads of teaching, discovery and patient care, VUMC is a community of individuals who come to work each day with the simple aim of changing the world. It is a place where your expertise will be valued, your knowledge expanded, and your abilities challenged. It is a place where your diversity — of culture, thinking, learning and leading — is sought and celebrated. It is a place where employees know they are part of something that is bigger than themselves, take exceptional pride in their work and never settle for what was good enough yesterday.
